WHAT IS UNITED WAY?

The United Way of Greater High Point mobilizes the business community, volunteers, and its 27 local partner agencies to develop resources and partnerships that address critical human service needs in our community. Our focus is on Education, Financial Stability, and Health, because these are the “building blocks” for a good quality of life for each of us. United Way funded programs help children learn and families thrive, build self-sufficiency and independence, create stronger and safer neighborhoods, and improve the health of our communities.

UNITED WAY OF GREATER HIGH POINT - LOCAL PROGRAMS

The UWGHP Backpack Program served 1900+ children throughout Greater High Point in 2019. These students receive meals, snacks, and drinks at the end of each week to ensure that they have food during weekends, holidays, and summer break. Food is distributed discreetly through schools, after-school sites, and summer care programs.

Little Free Library is a free book exchange program through UWGHP in which community members can “take a book, return a book or bring a book to share”. New and gently used books for children - birth through 6th grade - can be dropped off at the UWGHP office, 815 Phillips Drive during the week or by placing books in the mail drop at the front of the building. We appreciate the communities support of this vital resource.

Fans for Seniors provided 450+ fans to seniors and disabled residents needing a low cost option to keep cool during the summer of 2019. As the temperatures increase in the heat, UWGHP partners with Senior Resources of Guilford and the High Point Enterprise to coordinate donated box fans for our neighbors in need.

The Gift of Warmth, a recently developed program through UWGHP, was able to distribute 100+ electric space heaters to local seniors and families in need of heating assistance or experiencing a heating emergency during the harsh winter months of 2019.
