High Point, NC – (April 15, 2025) United Way of Greater High Point, in partnership with Vann York Auto Group, unveils the 10 finalists for the 23rd Annual Vann York Car Giveaway. The excitement culminates Thursday, May 8, during a High Point Rockers home game at Truist Point, 301 N. Elm Street.

Finalists were selected through a random drawing from a pool of eligible donors. Each finalist represents the heart of our community — generous individuals whose support helps drive meaningful change across Greater High Point.

This year's finalists include:

- Sushil Nepal, individual donor
- James Conrad, Town of Jamestown
- Walter Ernesto Villalta Tejada, Mickey Truck Bodies
- Curtis Ezzele, Smart Choice
- James Phillips, Thomas Built Buses
- Adam McCook, City of High Point
- Michael Kersey, City of High Point
- Silvia Cano Hernandez, Marsh Furniture
- Holly Lackey, City of High Point
- Shani Jones, Montlieu Elementary School

The grand prize—a brand-new vehicle generously provided by Vann York Auto Group—will be awarded to one lucky finalist during the giveaway event. Each of the finalists will get a chance to unlock the Vann York car throughout the innings of the game, building suspense and excitement all night long.

“We’re proud to once again partner with Vann York Automotive Group for our 23rd Annual Car Giveaway,” Joe Barnes, Vice President of Resource Development at United Way of Greater High Point, said. “This event is an extraordinary moment in our annual campaign and a powerful

reminder of the incredible generosity of Vann York and Greg York, who have championed our mission for more than 20 years. We are grateful for Vann York Automotive's partnership."

The community is invited to join United Way of Greater High Point for a night of celebration, connection, and impact. As the finalists vie for the car, the event also marks the official close of the 2024 United Way Campaign. Guests will be the first to hear the total amount raised—an inspiring testament to what's possible when a community comes together.
